WILDERNESS OPENS ITS SECOND INDOOR MINIATURE GOLF COURSE
Ocean-themed course features over
15,000 gallons of water with sea creatures

WISCONSIN DELLS, Wis. — If you enjoy watching sharks, stingrays and other tropical wild life, be sure to check out the new Wild Abyss ocean-themed, indoor 3-D, black light 9-hole miniature golf course which opens today at the Wilderness Hotel & Golf Resort.

The course, which is located near Dodge 'Em City next to Timberland Play Fort, features six huge aquariums with over 15,000 gallons of amazing salt water creatures including two nurse sharks almost 5 feet in length; a green moray eel; golden eel; puffer fish; lobster; starfish; angelfish and a variety of other brightly colored fish.

At the end of the course there is a giant live observation tank that allows you to get up close to watch graceful stingrays and other sea creatures.

In December, the resort opened the Wild Buccaneer miniature golf course to rave reviews. It features pirate-themed intense 3-D graphics and challenging obstacles that vie for your attention as you work your way through the course.

Both courses are part of a new Wild Fun Pass which costs \$10 plus tax. It includes nine holes of golf at both the Wild Buccaneer and Wild Abyss courses, OK Corral lazer tag admission, and eight tokens to the Northern Lights Arcade.

In addition, an Ultimate Fun Pass is available and includes everything on the Wild Fun Pass as well as a one full day admission to the nearby Knuckleheads Indoor Amusement Park, for only \$24.95. Knuckleheads, the Dells Largest Indoor Family Entertainment Center, located just down the road from the Wilderness, has many

attractions including amusement rides, bumper cars, go-carts and an indoor kiddy coaster – all of which kids are sure to love! For more information please visit www.wildernessresort.com and click on “The Ultimate Fun Pass” button.
